Published by Penguin/NAL 1 September 2015

A young woman, widowed and troubled, hikes from Yosemite Valley deep into the wilderness to elude her shameful past in this emotionally gripping story from the author of House Broken.

With her thirtieth birthday looming, Liz Kroft is heading for the hills—literally. Her emotional baggage weighs her down more than her backpack, but a three-week trek promises the solitude she craves—at least until her boyfriend, Dante, decides to tag along. His broad moral streak makes the prospect of confessing her sins more difficult, but as much as she fears his judgment, she fears losing him more. Maybe.

They set off together under blue skies, but it's not long before storms threaten and two strange brothers appear along the trail. Amid the jagged, towering peaks, Liz must decide whether to admit her mistakes and confront her fears, or face the trail, the brothers and her future alone.

Reviews of *Middle of Somewhere*:

"Yoerg knows how to keep the pages turning in this fast-paced, action-packed, heart-tugging novel." Heather Gudenkauf, *New York Times* bestselling author of *Little Mercies*

"*Middle of Somewhere* is the perfect blend of self-discovery and suspense. Beautiful descriptions of the John Muir Trail are reminiscent of Strayed's *WILD* and equally lyrical, but Yoerg ups the ante with both a romance and a thrilling subplot. A complete page turner!" Kate Moretti, *New York Times* bestselling author of *Thought I Knew You*

"Beautifully written, it paints a vivid portrait of the wilderness and a woman in peril." Eileen Goudge, *New York Times* bestselling author of *Bones and Roses*

"Yoerg skillfully explores how the weight of remorse makes the search for personal redemption a test of not just the will, but the heart...stunningly descriptive prose." Susan Meissner, author of *Secrets of a Charmed Life*

"By the time you finish this wonderful novel--driven by a pulse of dark secrets and looming danger--you'll feel as if you've hiked the John Muir Trail." Kristin Harmel, International Bestselling author of *The Life Intended*

“*Middle of Somewhere* features Sonja Yoerg's characteristic clean, intelligent writing and perfectly imperfect characters. Yoerg brings the John Muir Trail alive in this story about a woman's treacherous journey--physically and emotionally--from the start of the trail to the end.”
Julie Lawson Timmer, author of *Five Days Left*
